

Don't Get Hooked on a Scam!

Applying for federal student aid is FREE - that's why the application is called the *Free Application for Federal Student Aid (FAFSA)*.

Be cautious of those who state:

- ❖ *"For a fee, we provide a comprehensive list of scholarships."*
- ❖ *"This scholarship is guaranteed or your money back."*
- ❖ *"We need your credit card or bank account number."*
- ❖ *"We will do all the work."*
- ❖ *"Learn how to double or even triple your financial aid offers!"*
- ❖ *"You can't get this information anywhere else."*

If you need help completing the FAFSA, that help is free too. You don't have to pay anyone for help and you should be aware of scams and services that will search for financial aid for you for a fee.
