

File Your FAFSA Early

(the Free Application for Federal Student Aid)
to maximize your financial aid.

File Your FAFSA at FAFSA.gov

The FAFSA is available October 1st for students who plan to attend college in 2019-2020.

- **There's money available** to help pay for college, but you must file the FAFSA to be considered for financial aid.
- Filing the FAFSA can be the first step in the college application process. **It's available October 1.**
- You don't need to know all the schools you are applying to or if you are even going to college. List at least one school; additional schools can be added later.
