**Applying for AMA membership:** Membership is contingent upon the American Medical Association's (AMA) acceptance of the membership application. The endorsement, deposit or negotiation of an applicant's check, or processing of a charge to applicant's credit card, does not guarantee admission into or acceptance of membership by the AMA. Checks received will routinely be deposited without a determination of the propriety of the payment or the applicability of the amount. Applicants who are not admitted to membership will receive a refund from the AMA for the amount submitted.

AMA dues are not deductible as a charitable contribution for federal income tax purposes, but may be partially deducted as a business expense. AMA estimates that 60% of your membership dues are allocable to lobbying activities of the AMA, and therefore are not deductible for income tax purposes.

Dues-paying members are eligible for print copies of *JAMA*. For the 2018 membership year, the allocated cost of \$31 for *JAMA* is included in, and not deductible from AMA membership dues. All members receive free online access to The JAMA Network®, which brings together *JAMA* and the 11 specialty journals. In addition, all members are eligible to receive *AMA Morning Rounds*.

**Conditions of AMA membership and application:** As part of a physician organization committed to strengthening the ethics of medicine, every member pledges to uphold the Principles of Medical Ethics as interpreted in the *AMA Code of Medical Ethics*, and to comply with the Bylaws of the American Medical Association and the Rules of the AMA Council on Ethical and Judicial Affairs.
