COLLEGES & UNIVERSITIES

Meeting deadlines for admissions and financial aid is important. Some schools may have deadlines even if they are not published in this guide. Deadlines are also subject to change. Confirm deadlines with any school you are applying to. Financial Aid deadline information is based on the school's Peterson's Survey data² that was released in August 2018. Enrollment numbers reflect undergraduate enrollment for Fall 2018 as reported by the National Center for Education Statistics (IPEDS)³.
