August 14, 2020

I. INTRODUCTION

A. General Information

The Finance Authority of Maine ("FAME") is an independent state agency that develops and administers programs related to the financing of both business and higher education in the State of Maine. FAME's primary audiences are Maine businesses and lenders seeking financing or credit enhancement, as well as students, families, and schools seeking financial resources for higher education. FAME's primary goal is to expand opportunities for Maine residents and businesses to grow Maine's economy. FAME has been helping Maine people succeed for over 35 years. To learn more about FAME, please visit FAMEmaine.com.

FAME is seeking the services of a full-service marketing firm (Vendor) to serve as its marketing agency for most, but not all, of its programs. FAME has some in-house marketing capability and capacity, but has many projects whereby it wishes to collaborate and/or contract out all or part of the marketing process with an outside expert.

Submission of a proposal indicates acceptance by the firm of the conditions contained in this request for proposals ("RFP"). There is no expressed or implied obligation for FAME to reimburse responding firms for any expenses incurred in preparing proposals in response to this RFP. All information contained in a respondent's submission must be factual and accurate. Misrepresentation of facts may be grounds for dismissal from consideration.

B. Term of Engagement

Three consecutive one-year contractual engagements are contemplated, subject to recommendation of FAME staff and satisfactory negotiation of terms. FAME will reserve the right to terminate the contract during any engagement period.

II. NATURE OF SERVICES REQUIRED

FAME is seeking a full-service marketing firm to provide marketing services on an as needed basis. This RFP does include services for NextGen 529TM.*

Background

FAME's mission is to provide access to innovative financial solutions to help Maine citizens pursue business and higher education opportunities. Learn more at FAMEmaine.com.

As part of FAME's mission we encourage Maine residents to plan for future college expenses by, among other things, becoming financially capable and as appropriate opening NextGen accounts and regularly contributing to those accounts. We require a marketing agency with social marketing experience – a proven ability to create marketing programs that encourage behavior change.

NextGen is designed to comply with the requirements for treatment as a qualified tuition program under Section 529 of the Internal Revenue Code, and is administered by FAME. Merrill Lynch is the Program Manager. Section 529 plans are tax-advantaged investment vehicles that involve the sale of municipal securities which are subject to various state and federal securities and other laws and regulations. The NextGen plan may only be sold and distributed by Merrill Lynch Financial Advisors or Maine Distribution Agents, directly through FAME, or through the Merrill Edge online platform. In particular, advertising must comply with the applicable rules of the Municipal Securities Rulemaking Board and applicable state and federal securities laws and regulations and may also be subject to the rules of certain self-regulatory organizations. By contract with Merrill, FAME is required, with certain limited exceptions, to submit all proposed advertising, marketing, or promotional materials to Merrill for review. In addition, both FAME and Merrill are subject to various privacy and confidentiality laws and regulations which also affect NextGen. To learn more about NextGen, please visit www.NextGenforME.com.

Marketing for NextGen is inclusive of marketing to Maine residents only, and does not include nationwide marketing. Please note we are not generally able to participate in most social media platforms for NextGen.
