- The FSA ID is the user name and password students will use to access all Federal Student Aid websites, including FAFSA.gov. It takes about 10 minutes to create an account and set up an FSA ID. We strongly recommend getting FSA IDs ahead of time. For dependent students, at least one parent will also need to create an account and set up an FSA ID to sign the FAFSA.
- To create an account and set up an FSA ID, go to StudentAid.gov and click on "Create Account." Keep track of your FSA ID information using FAME's FSA ID Information Tracking Sheet.
