File your FAFSA now and get started on your new adventure!

FILING YOUR FAFSA IS KEY TO FREE COMMUNITY COLLEGE

FAME's FAFSA help is here and always free.

IT'S TRUE: Maine residents who graduated high school (or earned the equivalent of a high school diploma, like a GED or HiSET) in 2020, 2021, or 2022 can attend Maine community colleges tuition free. The same will be true next year for graduates of the class of 2023!

Filing your Free Application for Federal Student Aid (FAFSA) is key to free community college. Most families can complete the FAFSA in less than 30 minutes. If you're ready to file, go to [FAFSA.gov](https://fafsa.gov). If you need help or have questions, we've got answers. Unsure of your plans? You can still file a FAFSA to keep your options open.

If you're unable to file the FAFSA due to citizenship status or other reasons, *you're still eligible for free community college*. Contact the community college of your choice and work with an on-campus advisor.

The Finance Authority of Maine (FAME) does not discriminate in the administration of any of its programs or in its employment practices on the basis of race, color, national origin, age, gender, religion, physical or mental disability, political affiliation, marital status or sexual orientation.
