FILING YOUR FAFSA IS KEY TO FREE COMMUNITY COLLEGE

FAME's FAFSA help is always free.

IT'S TRUE: High school graduates in the classes of 2020, 2021, 2022, or 2023 (or students who earned the equivalent of a high school diploma, like a GED or HiSET) can attend Maine community colleges tuition-free*. The same will be true for the classes of 2024 and 2025!

Filing your Free Application for Federal Student Aid (FAFSA) is key to free community college. The 2023-2024 FAFSA is currently available. The 2024-2025 FAFSA, which is being revamped and will be easier than ever to complete, will be released in December 2023. When you're ready to file, go to [StudentAid.gov](https://studentaid.gov). If you need help or have questions, we've got answers. Unsure of your plans? You can still file a FAFSA to keep your options open.

If you're unable to file the FAFSA due to citizenship status or other reasons, *you're still eligible for free community college*. Contact the community college of your choice and work with an on-campus advisor.

**Must be living in Maine while enrolled.*
