

Why NextGen 529?

Grants!¹

There are matching grants for Maine residents. Make contributions and get a 30% match, up to \$300 each year.

Saving Pays

Every dollar you add to a NextGen 529 account now is a dollar that doesn't need to be borrowed (and repaid with interest) later.

Tax Advantages

Savings in your NextGen 529 account can grow tax-free. And when it's time for your student to go on to higher education, withdrawals are tax-free when used for qualified higher education expenses.*

Gifting

Anyone can contribute to your NextGen 529 account – parents, grandparents, family, or friends. It's a great gift idea for birthdays and holidays.

* Qualified expenses are defined in Section 529 of the Internal Revenue Code. Earnings withdrawn for non-qualified expenses are subject to federal income tax; a 10% federal penalty, and state and local income tax rules, which may vary.
