

## TIPS FOR SUCCESSFUL LOAN REPAYMENT

- 1 Refer to your Loan Agreement to ensure you understand your rights and responsibilities. Can't find it? Ask us for a copy.
- 2 Set up online access to your loan by contacting a FAME education programs specialist at 1-800-228-3734.
- 3 Contact FAME for help determining through the appropriate agencies if your practice, location or population makes you eligible for forgiveness.
- 4 Not practicing in an eligible field or location? Your first payment will be due after your grace period ends. Be on time. Set up automatic payments using your online access or by submitting a paper ACH form to us.
- 5 Refer to the loan repayment chart provided in this brochure and/or the chart in your Loan Agreement.
- 6 On-time payments help your credit score. Late payments can hurt. We report monthly to a credit reporting agency.
- 7 You are required to complete and submit an annual report that we will mail to you every June.
- 8 If you are having difficulty making your monthly payments, contact FAME to discuss alternative repayment options. Deferments may be granted during the repayment period because of temporary disability, undue hardship, or other reasons approved by FAME's Chief Executive Officer. You must apply in writing to FAME for a deferment and may be granted a deferment of up to one year. We typically require interest payments during periods of approved deferment. Interest accrues at a rate of 5% during deferment. The total debt must still be repaid within the 10 - year repayment period.

\*Interest begins to accrue at beginning of repayment period, which commences 6 months after completion of or withdrawal from professional education.

### HOW DOES A BORROWER QUALIFY FOR LOAN FORGIVENESS?

An eligible dental care facility must accept patients regardless of their ability to pay, accept payment through MaineCare, offer a sliding-fee scale, and not limit service based on payment source.

### REPAYMENT/FORGIVENESS:

- Dental Education Loans enter repayment 6 months following completion of professional education.
- If you do not practice dentistry or if you practice out of state you must repay the amount of the loan(s) including principal and interest within 10 years of completion of or withdrawal from professional education.
- Recipients are required to complete an annual report. FAME mails the annual report form to recipients in June and uses the completed annual report to update borrower status and consider eligibility for forgiveness.
- Interest rate varies based on practice location/type – For loans made after January 1, 2016:

3% for borrowers practicing in Maine, but not at a facility located in an underserved population area, and devoting at least 75% of the practice to primary dental care; 5% for borrowers practicing in Maine, but not in a facility located in an underserved area, and devoting less than 75% of the practice to primary dental care; and 8% for borrowers who do not maintain an appropriate practice in Maine. Refer to individual borrower loan agreements to view specific interest rate information.

- Dentists who practice general dentistry in underserved areas of Maine, serve all patients regardless of ability to pay, accept payment through MaineCare, offer a sliding-fee scale, and not limit service based on payment source may be eligible for loan forgiveness at the rate of 25% of their total indebtedness per year.
