

NOTICE OF AVAILABILITY AND REQUEST FOR APPLICATIONS
MAINE NEW MARKETS CAPITAL INVESTMENT PROGRAM

The Finance Authority of Maine ("FAME") is pleased to announce that tax credit authority under the Maine New Markets Capital Investment Program (the "Program") will be made available to qualified community development entities, commencing January 7, 2026.

\$250,000,000 of qualified equity investments is available for allocation.

Qualified community development entities that are interested in being awarded allocated tax credit authority under the Program are instructed to file an Allocation Application with required attachments and the required \$1,000.00 Allocation Application Fee, with the Authority on or after January 7, 2026, via hand-delivery, mail, express mail, courier or electronic means, provided, however, that the Applicant is responsible for ensuring receipt of the Application by FAME. Any Allocation Application received prior to January 7, 2026, shall be deemed received on January 7, 2026.

Completed Allocation Applications will be processed in the order received, with those received on the same date to be treated as received simultaneously. Allocation authority will be awarded on a first-come, first-served basis, with available tax credit authority pro-rated among approved applications received on the same date to the extent insufficient amounts of authority remain to make full awards on such date. Based on prior demand, FAME anticipates that the Program will be oversubscribed, and suggests applications be submitted on or prior to January 7, 2026, in order to have the best opportunity to be awarded an allocation.

The Allocation Application can be downloaded at: [Maine New Markets Capital Investment Program - FAME Maine](#). Program terms and conditions, including eligibility requirements, are found at 10 MRSA §1100-Z, 36 MRSA §5219-HH; and Chapter 325 of the Rules of the Finance Authority of Maine.
